Eliane participates in our work in Vera Cruz. She wanted to share a testimony of how God and this work is a blessing. When she started attending her family was in disarray. Her son was struggling to find his way and was causing problems at home. Her husband was a drunk and made their home life miserable. She arrived with a very heavy heart and thought change was impossible. The change she needed was waiting for her and as she turned her life over to God, things started to change at home. Her son found a job, found the love of his life and now is married with their own home. Her husband wanted the same change and now is a new and sober man. Instead of confusion and strife, God now rules their home.

I just want this newsletter to show how God is working in all our works. Sao Paulo is the biggest city in South America and the 4th in the world, spread out over 587 square miles and a population of over 22 million.

Brazilian Children's Outreach has served 20 plus tons of food to around 10 thousand people. We distribute God's word, and everyone who wants a Bible receives a Bible. We were also blessed to baptize babies.

We are completing 1 house a month. Some from the ground, and some we finish what they cannot complete and just make them habitable. Most that are unfinished do not have a working bathroom or a roof to stop the rain. All of them are now a visible testimony of God's love and how mysterious are His plans for us. This blessing of being chosen by Him and putting all the pieces together so they have a life changing event...WOW!

Almost finished

We are so thankful for all who help, work, support and pray with us. The families and children are forever changed and blessed by your faithfulness. We pray for a wonderful Christmas season with Jesus as our focus. We look forward to the coming year and what God has for us.

Sorriso School thanks you

God bless

Merry Christmas

Thanks for everything!
